

# Hey parents, need some extra sleep on New Year's Day?

Point the kids towards a show they'll love watching back-to-back with our handy door sign. They press play, while you hit snooze.

## INSTRUCTIONS:

1. Print and cut out your Netflix do-not-disturb door sign.
2. Write in the number of episodes your kids have permission to watch.
3. Hang on your bedroom door.
4. Get your slumber on.
